FAQs

1. Who can publish a campaign on HIPGive?

1.1 Basic Requirements

Any nonprofit organization that works in Latin America or with the Latinx community in the United States can upload and publish a campaign.

Specifically, the organization must:

- Be legally constituted as a non-profit organization.
- Have a bank account in their name.

If your organization does not meet these requirements, you can still participate with the support of a fiscal sponsor.

1.2 Create a campaign with the support of a fiscal sponsor

If you represent a nonprofit organization in Latin America or the United States and don't meet the basic requirements (previous page), you can still run a campaign with the support of a fiscal sponsor.

- A fiscal sponsor is an organization that does meet the basic requirements and is committed to receiving and verifying that the funds you generate for your campaign are properly applied.
- The crowdfunding campaign will be published in the name of your organization or group. However, all legal and banking information, as well as the requested documents, must correspond to your fiscal sponsor.
- The fiscal sponsor must draft and sign a fiscal sponsorship agreement where it is mentioned that it will act as your fiscal sponsor and that it will ensure the proper use of the resources granted to them.

For organizations in Mexico, you can contact our team to learn more about this figure.

1.3 Options for “Donataria Autorizada” in Mexico

If your organization operates in Mexico and has the current “Donataria Autorizada” status, you can access the following benefits:

- You could receive contributions both in dollars (USD) and in Mexican pesos (MXN).
- HIPGive* will be able to issue tax-deductible receipts to people who contribute from Mexico and who request a receipt.
- In addition to contributions with credit, debit and PayPal cards, people can make their contribution in convenience stores and/or as a bank transfer via SPEI.

To access these benefits, before submitting your project for review, you must add additional information on the platform to verify the status of an “Donataria Autorizada” before the SAT.

**Through our “Donataria Autorizada” in Mexico, whose name is HIP LATINOAMÉRICA, A.C.*

**2. What information
should you fill in the
platform?**

2.1 Information Required

For creating your account on HIPGive

	Countries in Latin America		Original articles of incorporation* as a non-profit organization
	United States		IRS Determination Letter for 501 (c) (3)
	Mexico		Original Constitutive Act* as a nonprofit organization
	Donataria Autorizada		Official letter as Donataria Autorizada from the SAT

To approve publishing your project

Documents:

- Financial Statements or IRS 990
- Board Member
- Current Fiscal Year Organizational Budget
- Tax Identification Number
- Fiscal Sponsor Agreement (if applicable)

Information:

- Completed Legal Information tab on the platform
- Completed Bank Information tab on the platform

- Power of attorney
- Official identification of legal representative
- Bank account statement (must match the account data registered in the "Bank information" section)

If the name of your organization has been changed and it is different from the one that appears in the Constitutive Act, it will also be necessary to attach the minutes of the assembly where said change has been ratified.

*** We require the letter, not the publication in the DOF.*

Attention!

To publish your project on the platform, it is necessary that:

- The documents are complete and correct.
- The legal information is complete.
- The bank information is complete, correct and the box where the information is certified is checked.

Note! If you submit your project for review and some sections are incomplete or incorrect, we won't be able to publish it.

2.2 Legal information

To fill out the legal information:

- Go to the Organization section in your dashboard and select the “Legal Information” tab.
- Select the “pencil” icon to edit.
- Complete all the fields.
- Save the changes.

3. How does the payment process work?

3.1 Calculation of the total amount of funds due

We use the following calculation to work out the total amount of funds due:

Calculation of the total amount of funds due:

Total = (Amount of funds you raised)

- (Payment processing fees)

+ Matching funds and/or special incentives

The exact amount you receive can vary slightly due to:

- Commission on the payment method
- Payment processor
- Exchange rates

3.2 The payment process

	PAYMENT PROCESSORS How people give to your campaign	TRANSFER OF THE FUNDS How we get the funds to you after the campaign
 Latin America	 Contributions are channeled through a payment processor in the US that works with: <ul style="list-style-type: none"> • PayPal US • Credit and debit cards 	 The total amount of funds is calculated in US dollars and we make an international bank transfer from our US office. The funds will be marked in your account as originating from Hispanics in Philanthropy.
 USA	 USD Contributions are calculated in dollars (USD).	 The funds are transferred via a ACH/direct deposit from our office in the US. directo desde nuestra oficina en EEUU. El depósito aparece en la cuenta bancaria a nombre de Hispanics in Philanthropy
 Mexico	 People can contribute in their local currency and the payment processor will convert it automatically to dollars (USD).	 The total amount of funds is calculated in US dollars and we make an international bank transfer from our US office. The funds will be marked in your account as originating from Hispanics in Philanthropy.
 Donataria Autorizada	<div>+</div>  In addition to the US payment processor, we activate a Mexican processor that can process payments from: <ul style="list-style-type: none"> • PayPal MX • Credit and debit cards • Convenience stores • Interbank transfers using SPEI   Contributions are calculated in Mexican pesos (MXN).	<div>+</div>  CDMX The funds that were donated in Mexican pesos are kept separate and will be transferred via an electronic bank transfer from our office in Mexico City. The funds will be marked in your account as originating from HIP LATINOAMÉRICA, A.C.

3.3 Timeline

HIPGive is part of Hispanics in Philanthropy, a nonprofit organization. Our internal procedures reflect the highest standards of fiscal control and transparency required by the governments of the US and Mexico.

All communication during this period will be to the email address that you included when you published the project. Remember to check it frequently, and also to check your promotions or spam inboxes.

RECONCILIATION

We review each and every transaction to ensure there are no discrepancies, especially involving reimbursements and chargebacks. It is a detailed process because of the multiple forms of payment and the currencies / exchange rates involved.

CALCULATION

We calculate the final result of your campaign:
Total = (Amount of funds you raised)
- (Payment processing fees)
+ Matching funds + special incentives

We send the payment request for this amount for final review and payment.

TRANSFER OF THE FUNDS

We make the payment. In the US it is a national bank transfer. In Mexico and the rest of Latin America, this international bank transfer could take a few days before being reflected in your bank statement.

Donataria Autorizada

ADDITIONAL DOCUMENTATION FOR DONATARIA AUTORIZADA

We email you a contract to sign and ask that you generate the CFDI (receipt) only for the amount you raised in Mexican pesos. This is required by the Mexican authorities.

TRANSFER OF THE FUNDS

Once we received the signed contract and CFDI (receipt), we make the bank transfer in Mexican pesos.

FAQs

FAQs

? Q: What documents do I need to upload to the HIPGive platform?

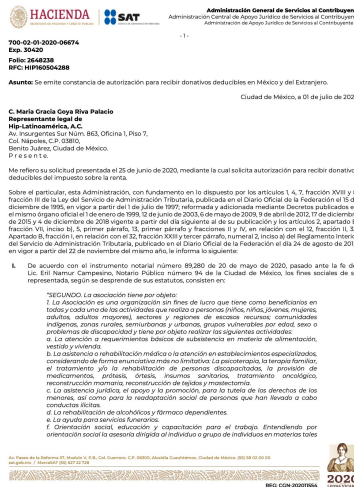

A: You can find the documents you need (depending on the country where your organization is located) in section 2 of this guide.

Q: I am a **donataria autorizada** in Mexico, and I was notified that the document I uploaded as a Tax Authorization Certificate to the SAT is incorrect. How can I know what is the document you are requesting?

A: In this section, we are NOT requesting the “Diario Oficial de la Federación” with the current year's authorized “donatarias”, or “Cédula de Identificación Fiscal”. The document we are requesting is “**oficio de notificación de donataria**”.

? Q: One of my HIPGivers wants a refund (partial or total) of his/her donation, what is the procedure in this case?

A: The HIPGiver should email hipgive@hipfunds.org including:

- Email used to make the donation.
- The amount to be reimbursed.

Once we make the refund request to the corresponding payment processor, we will contact the HIPGiver to confirm that the refund is being processed.

Q: I am a *donataria autorizada* in Mexico, and one of my donors has not received a tax-deductible receipt for the donation to my project, what is the procedure in this case?

A: Your donor should email hipgive@hipfunds.org including the email address used to donate to your project, as well as the “constancia de situación fiscal” (Certificate of Tax Status from the SAT).

It is important to always remind your donors that they must request the receipt and fill in the information at the time of their donation. The tax-deductible receipt will be issued after that. Please check your spam and promotions folder.

Q: My fundraising campaign is over, what are the next steps and how long will it take for the funds raised to be paid out?

A: Once your campaign finishes, we'll start the reconciliation process with our finance department. This takes several weeks, so your payment will be ready 8-12 weeks after the campaign is over. To learn more about this process, please refer to this section of the guide.*

**If the bank information is NOT complete or corresponds to an account that is no longer active, you will receive an email from hipgive@hipfunds.org requesting you upload whatever is missing. This email will be sent to the email address you used to register your crowdfunding project (please check your Spam folder). Please note that the reconciliation process won't start until all the requested information is uploaded on the HIPGive platform. Therefore, the period of 8 to 12 weeks will count since the day everything is complete on your organization's profile.*

? Q: I received a notification that I am missing some of my organization's documents and/or information, how can I know what I am missing?

A:

- [Here](#) you can consult the list of requested documents.
- [Here](#) you can check out the required legal information.
- [Here](#) you can check the required banking information, whether you are an organization in Latin America or Mexico (not a donataria autorizada).
- [Here](#) you can check the required banking information if you are a U.S. organization.
- [Here](#) you can check the required bank information if you are an organization in Mexico (donataria autorizadaa).

? Q: I have already received the payment for my crowdfunding campaign, but the amount does not match the number that appears in my project site on HIPGive. What is the reason for this difference?

💬 A: The amount shown on your project site does not include the payment processing fees. This fee is added once we perform the financial reconciliation process. You can learn more about this in [section 3.1](#)

If you are an organization in Latin America (including Mexico), please note that the payment is sent through an international wire transfer, so the commission for receiving this transfer, as well as the exchange rate, will depend on each bank.

Q: I am donataria autorizada in Mexico and received a donation contract. However, the amount in the contract does not match the total amount raised for my crowdfunding project. Why is there a difference?

A: As a donataria autorizada, your organization received donations in both US dollars and Mexican pesos. The amount collected in MXN is paid from our office in Mexico, and corresponds to the amount included in the contract. Since HIP LATINOAMÉRICA is a civil association in Mexico, we have to sign a donation contract and receive a CFDI that covers this amount in order to disburse the amount collected in Mexican pesos.

In addition to the amount raised in Mexican pesos, your organization will receive a payment via international wire transfer which is equivalent to the amount raised in US dollars, and which also includes matching funds and/or special incentives. Since this is paid from our U.S. office, we won't include it in the donation contract.
