5.1 Download your transactions

You can consult the list of people who have given to your project at any time.

- Select "Transactions" from the menu on the left.

- Select the yellow button "Filter" to organize the transactions by date, payment method or to look for a specific person.

- Select the red button "Download".

You may see some transactions marked as "declined." This isn't to do with the platform, more often than not it is because people do not enter their details correctly or the bank has put a block on the use of the card. We suggest that the person try again or with another payment method.

5.4 Transferring your funds

- Funds are paid through a check sent to your address (United States) or a bank transfer (United States and Latin America).
- The process takes 4-6 weeks; this includes the review of your documents and time for the processing of all transactions, including any chargebacks or pending transactions that have arisen.
- When we're able to make the payment, we will send an email confirming the amount of funds raised, any additional funds, the commission retained for payment processing and the final amount you will receive.
- You must send Hispanics in Philanthropy a valid fiscal receipt for the funds received or, in the case of some Latin American organizations, a letter confirming receipt of the funds.

SERVICES AND FEES

Unlike many other crowdfunding platforms out there, HIPGive allows fundraisers to create and publish projects on HIPGive free of charge. As of December 2016 we got rid of our administrative fee, which means more of the funds go towards your project. The only fee that will be deducted from the total raised on the platform is a payment processor fee through an external provider.

Currently, the payment processor fee is determined pero payment processor. This is a flat rate and is not affected by whether or not you reach your project goal.

To avoid passing on any further costs and ensure organizations keep more of the funds they raise, we recently introduced the TIPHIP feature. When making a gift, donors are invited to contribute a small additional donation to cover HIPGive's operational expenses. This is entirely voluntary and well received by most donors.

This table illustrates how we calculate the total amount of funds transferred at the end of a project:

FAQs

5. FAQs

¿Quién puede usar HIPGive para coordinar una campaña de crowdfunding?

HIPGive es un recurso para proyectos de organizaciones sin fines de lucro basadas en los Estados Unidos o América Latina. Como nosotros también somos una organización sin fines de lucro, estamos obligados a pedir a las organizaciones participantes que comprueben que son una organización legalmente establecida y que la mayoría de las personas que se beneficiarán del proyecto son latinas.

Durante el proceso de enviar tu proyecto, se te pedirá que adjuntes un documento de verificación de tu estatus sin fines de lucro, normalmente la carta de confirmación 501(c)(3) o si eres una organización de América Latina, tu acta constitutiva.

Una vez que tu campaña esté activa, solicitaremos:

• Lista de integrantes del Consejo Directivo
• Estado financiero más reciente (o Formato 990 del IRS para organizaciones en Estados Unidos)
• Presupuesto anual
• Datos para realizar la transferencia bancaria a tu cuenta

En el caso que no tengas estos documentos, puedes presentar un proyecto a través de un patrocinador fiscal, una organización que puede avalar tu proyecto y proveer los documentos requeridos. Recibirán directamente los fondos recaudados de parte de HIPGive y deberán asegurar que los fondos se apliquen al proyecto publicado.

¿HIPGive es un sitio seguro?

Sí, HIPGive es un sitio seguro. El procesador de tarjetas de crédito utilizado por la plataforma, es un Proveedor de Servicios Certificado Nivel 1 PCI (el nivel más alto), que requiere una auditoría de seguridad independiente anual de procesos y sistemas. El sistema se prueba diariamente (manualmente y automáticamente) para garantizar la seguridad.

¿Las personas obtienen un recibo por su aportación?

¡Sí! Inmediatamente después de completar su donación, enviamos una confirmación de transacción a la dirección de correo electrónico. Ésta incluirá el logotipo de nuestro procesador de pagos. Poco después, también enviaremos un agradecimiento a la misma dirección de correo electrónico; si la persona lo eligió. Este email aplicará como recibo deducible de impuestos en EEUU. (Hispanics in Philanthropy es una organización sin fines de lucro 501(c)(3)). Si la persona eligió donar a una organización donataria en México, recibirá un tercer correo con su CFDI.

¿Qué métodos de pago se aceptan?

HIPGive acepta pagos por medio de tarjetas de crédito y débito, así como PayPal. Si tu organización es donataria autorizada en México, pueden aportar también mediante transferencias SPEI y en tiendas de conveniencia.

¿Cuánto cuesta usar HIPGive?

Subir tu proyecto es gratuito. Una vez que generas ingresos, se aplica una comisión por transacción de aproximadamente 3.5%. La comisión varía según el método de pago, puedes consultar la lista completa aquí.

¿Qué es TipHIP?

HIPGive es parte de una organización sin fines de lucro, nuestra meta es prestar servicios de alta calidad al menor costo posible para las organizaciones sin fines de lucro que usan la plataforma. TipHIP es una opción para los donantes de hacer una pequeña donación adicional, por encima de lo que donen al proyecto, que nos ayuda a cubrir nuestros costos operativos y nos permite no cobrarle honorarios adicionales a las organizaciones sin fines de lucro que usan HIPGive.
